EMORY EYE CENTER
Information for our Patients

Location:
The Emory Eye Center is located in The Emory Clinic, Building B. This is a six-story building across the street from Emory Hospital at the following address:

   Emory Eye Center, Building B
   1365 B Clifton Road
   Atlanta, GA 30322

We are on the 1st, 3rd, 4th and 5th floors of this building. The location of your specific provider can be found on your appointment confirmation slip and on our clinic location signs located near the elevator on each floor of building B.

Parking:
Valet parking is available to the left of the building, on Lowergate Dr. for $8. Self-parking is also available in the Lowergate Parking Deck behind the building for $2-$12, depending on the length of time spent in the parking deck. Public transportation is also convenient with a MARTA bus stop located at the intersection of Clifton Rd. and Gambrell Rd.

Appointment Information:
All new patients should arrive 30 minutes prior to your appointment and return patients at least ten minutes prior to your appointment. Please bring the following information to your appointment:
   o Your insurance card or proof of insurance coverage.
   o Driver’s License or State issued identification.
   o Specific information about the type of eye examination and insurance coverage (see below).
   o Completed “Emory Ophthalmology Patient Questionnaire”.
   o All information relevant to your medical condition such as copies of medical records, physician referral letters, CT scans, MRI scans and/or X-rays

Please note that your eyes will be dilated and a complete eye exam (which could include additional testing) may take up to several hours, depending on the complexity of your problem. Please bring a driver and/or be prepared to wait.

Vision screening exams may not require dilation.

Additionally, the Emory Eye Center is a referral center for difficult and complex cases which are often referred on an emergency basis. Because of this, our schedule may become delayed throughout the course of the day. We appreciate your patience should any emergencies or complex cases delay your visit.

Insurance Information:
Insurance coverage for vision related visits vary based on individual insurance plans. Patients should contact their insurance provider to determine the coverage that they have for their unique needs prior to their visit with us.

TO CHANGE OR CANCEL APPOINTMENT CALL: 404-778-2020

PLEASE CALL YOUR INSURANCE COMPANY TO VERIFY BENEFITS AND REFERRAL REQUIREMENTS ONE WEEK PRIOR TO YOUR APPOINTMENT. THIS IS TO ALLOW YOU TO OBTAIN YOUR MAXIMUM INSURANCE COVERAGE.
